

JOSHUA HIGH

Magnolia, TX 77354 ♦ high.joshua42@gmail.com ♦ Phone (281) 908-6625

I am a self-motivated web developer who thrives at the intersection of creativity and code. I have a proficient understanding of web development and am using my skills to create both structurally sound websites and mobile applications. I am experienced in digital solutions mainly involving C#, SQL, Python, Google Antigravity, JavaScript, and React. I would be an employee you could count on to take initiative and work efficiently.

WORK-RELATED EXPERIENCE

Web Developer for Wireframe Webworks, Magnolia, TX **April, 2026 – Present**

- Developed and launched the official production landing page for a technical web agency.
- Architected a clean, conversion-focused user interface emphasizing structured service offerings.
- Implemented optimized frontend performance and search engine-ready configurations to serve as a digital portfolio.

Personal Portfolio Showcase, Magnolia, TX **December, 2025 – Present**

- Deployed a responsive personal brand site with Google's new Antigravity coding agent.
- Optimized Next.js routing for animated scrolling and Tailwind CSS for a modern layout.
- Automated updates through CI/CD pipelines running from a GitHub repository to Vercel.

Web Developer for Prestige Construction, Magnolia, TX **February, 2026 – March, 2026**

- Designed and deployed a high-performance corporate website for a commercial construction group.
- Integrated fully responsive, structured layouts and automated lead-generation discovery forms.
- Optimized UI/UX performance to project a high-end brand identity, achieving fast load times and a seamless interface.

Mobile App Developer for GroceryToGo, Magnolia, TX **January, 2026 – April, 2026**

- Developed a collaborative grocery tracking app utilizing React Native and NoSQL.
- Implemented authentication and voice-to-text transcription for ease of access.
- Integrated cross-device synchronization for real-time updates among different devices.

EDUCATION

Texas A&M University, College Station, TX **December 2025**
